On her 24th birthday, 'love never lost' magical bubble tea is given to Modem as a gift. She insists never to use it. Magic-induced love can never be true. The universe suddenly proves her wrong as that tea, thinking that she threw it away, is served right down to the helmet of BearBike man. Light, who is a bastard to all but now so sweet to her! Modem's true love is Boss, and Light is just a fake fantasy. At least this is what she tells herself. Her love with Boss doesn't seem to go anywhere while Light is obsessed with her. As if things aren't messed up yet, the family's magic bubbles are lost and are nowhere to be found! In bringing back these bubbles, Modem actually finds herself unraveling the hidden secret of Light, Boss, and herself that aren't just a coincidence, somewhat a destiny.
